

Initiatives to make the Campus Eco-Friendly

The institution conducted several awareness camps for enlightening the students for making the campus plastic free and it is now a plastic free campus.

Plantation of floral and other plants in and around the college campus to expand greenery.

Garbage are regularly collected from office, canteen and different parts of the campus and disposed off in specified locations.

Students are advised to reduce/replace printing and photo copying by reading on screen and not to use plastic cover in any of their project paper.

The Institution has stopped buying bottled water in any programme and installed purified water dispensing machines in different locations within the campus.

The college has installed Green Generator and planned for solar energy generation project for alternative and uninterrupted source of power and has taken decision to use more of LEDs than CFL.
