FROM THE DESK OF THE PRINCIPAL

It is my great privilege to welcome you to Saheed Anurup Chandra Mahavidyalaya, - the most promising and aspiring state-aided UG Degree college, affiliated to the University of Calcutta, approved by UGC and accredited by NAAC. The College was established in the year 1991 in the memory of the distinguished revolutionary leader of India's freedom movement, Sri Anurup Chandra Sen, who had spent a short, but very productive and significant phase of his life in Burul, where the college is located. Incarnating the vision of Sri Sen, who believed that empowerment of the youth through value-based holistic education ignites their hearts and minds, the college has strived to provide a student friendly, affordable, curriculum-based education and co-curricular opportunities to all its pupil.

For the past three decades, the institution has persistently worked towards its goal of spreading higher education to the socially and economically marginalised young minds of rural Bengal, encouraging them to participate in various academic and allied pursuits, to keep pace with the rapid social and academic changes congruous with the times. The college aims to empower its students to cope with the myriad challenges of modern society and encourages them to become mature and responsible citizens of India.

The college has adopted the New Education Policy (NEP) 2020 on revised curriculum and syllabus as per guidelines of the affiliating university. The college gives prime priority to the Holistic Development of its students and thus keen emphasis is given on co-curricular and extra-curricular activities by the student. The rich culture to work as a family is the core strength of the college which I am sure that you will like very much during your course of studies here now and in future.

I wish you a productive college life that would lead to a prospective career and bright future

Prof(Dr.) Santanu Kumar Sen

Saheed Anurup Chandra Mahavidyalaya

ABOUT THE COLLEGE

Saheed Anurup Chandra Mahavidyalaya, which started its journey on 16th November, 1991, as a Government Aided Co-educational Degree College affiliated to the University of Calcutta, is a renowned institution of higher education in southern West Bengal, especially in the district of South 24 Parganas. The college located in the rural hinterland of the state capital, has evolved as a seat of academic excellence and has made significant developments in the fields of sports and physical education, socio-cultural activities and NSS programmes over the past three decades. The college has been christened after Saheed Anurup Chandra Sen, a great Indian freedom fighter associated with the revolutionary uprising in Bengal, famously known as the Chittagong Armoury Raid. Anurup Chandra Sen was a distinguished member of the Chittagong Youth Revolutionary Party along with great revolutionaries like Masterda Surya Sen and many other stalwarts. Saheed Anurup Chandra Mahavidyalaya is a tribute to Shri Anurup Chandra Sen, who eventually, took shelter in the Burul village of South 24 Parganas, and joined the Burul High School as a teacher, after the uprising. As a keen educationist he inspired a group of young students from this village to pursue education zealously and sincerely, and also indoctrinated in them the values of social and moral responsibilities towards the country and its citizens. Unfortunately, only after four years of his stay in Burul, Anurup Chandra Sen was arrested by the British police after a tip-off from a local informer. Later, Sri Sen died in jail while fasting in protest. In his brief teaching career, Anurup Chandra Sen ignited the dream of upliftment and emancipation among the marginalised and underprivileged students of this rural hamlet through the path of knowledge and education.

Late Sri Pravash Roy, one of his students and his ardent disciple, took the pioneering initiative to materialize the vision of his teacher in enabling the socially and economically deprived students (both boys and girls) of the adjoining areas to pursue higher education. The founding

Front of the College campus

members of this institution recognised the inconveniences faced by the learners of the remote rural areas in receiving college-education. They dreamt of dispelling their distress through the establishment of a degree college in the Burul village itself. Their vision was shared by the local community, whose unstinted help and support extended from procuring the land for the college to its final establishment in the year 1991. Today, Saheed Anurup Chandra Mahavidyalaya, is a renowned co-educational

institution of the district of South 24 Parganas, imparting higher education to more than 1500 students cutting across economic, social, religious and cultural boundaries. The college upholds the ideals of its founding members - to achieve excellence in higher education, of empowerment through knowledge, of inclusive growth for socio-economic upliftment of its students and of sustainable development of the society at large, through hard work and sincere efforts by all the stakeholders of this 30-year-old institution.

VISION

To provide education to the economically and socially backward community of the remote villages in receiving higher education by imparting inclusive knowledge to become responsible citizen to meet the societal challenges.

MISSION

- To provide right ambience and opportunities for the students to acquire knowledge on respective disciplines alongwith effective communication and value added skills to face the job market.
- To promote outcome-based education by stimulating academic environment towards outcome-oriented teaching-learning process
- To collaborate with different industries and institutions for promoting teaching-learning process, research and entrepreneurial development
- To maintain transparency in all aspects of the college through good governance
- To promote the socio-economic development of the society through excellence in education with ethical values

AFFILIATION

The college is affiliated to the **University of Calcutta**. (vide CU Letter No. C/4080/265-Affl. Dated, 25th September, 1991).

RECOGNITION

The college is recognised by the **University Grants Commission** under section 2(f) and 12(B) of the UGC Act. (vide UGC Letter No. F8-65/2000(CPP-I) Dated 10th June, 2000).

MOTO

Equity, Excellence and Expansion in the field of Higher Education is our motto. Equity means providing equal opportunity of college education to all, irrespective of their caste, creed and religion.

Excellence means the quality of excelling in the field of college education. "Excellence is never an accident. It is always the result of high intention, sincere effort, and intelligent execution; it represents the wise choice of many alternatives - choice, not chance, determines your destiny." - Aristotle

Expansion means expanding the rate of participation to college education. Increasing number of students should utilize the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits in college education.

NAAC ACCREDITATION

We are highly indebted to NAAC Peer Team for examining our systems and validating our claims about our academic vis-à-vis holistic development in our first accreditation and assessment for which we received C++ grade in the year 2004. While the approval and appreciation of the NAAC Peer team fortified our resolve to touch greater heights in all areas of education, their fruitful suggestions have helped us to overcome the shortcomings as reported. We tried our level best to implement the suggestions as directed by the NAAC Peer Team. This is a matter of great satisfaction that the teaching, non-teaching staff, students and the administration have been working as a team with an excellent level of understanding and missionary zeal which will undoubtedly prove a great boon for this institution to grow from strength to strength in its pursuit of knowledge and excellence.

NAAC RE-ACCREDITATION

We offered ourselves once again for quality inspection by NAAC in order to get re-accreditation for serving the concerned stakeholders better. We reiterate our commitment to sustain the quality sustenance and improvement process in education, as specified by NAAC, to meet our desired goal. The college has been re-accredited by NAAC in the month of September, 2016 and we received B+ grade in the month of November, 2016.

IQAC

For assessing the quality of institutions' all over quality management, a cell has emerged in every degree college and this college is not exceptional. An IQAC or Internal Quality Assurance Cell has developed here. For the purpose of monitoring and providing proper governance, this college have 22 sub-committees, 5 cells and 3 clubs, where each sub-committees and clubs has its own responsibilities under responsible members, both teaching and non-teaching staffs, of this college. The IQAC was constituted under the chairmanship of Principal. He / She may be assisted by a Coordinator who shall be a senior faculty member. This position may be held as an additional charge by the faculty member concerned, or a new position of a full-time Director/Coordinator may be created and a person is selected and appointed or a senior faculty member is posted by redeployment. The IQAC shall have the following composition: (a) Principal – Chairperson, (b) Five senior teachers and one senior administrative official – Member, (c) Two external experts on Quality Management/ Industry/Local Community – Member, (d) Director / Coordinator – Member Secretary The members

at (b) and (c) of the above shall be nominated by the Principal of the College in consultation with the academic body of the College (Academic Committee of a College).
